

Information for Buyers at Harbour Hill Regarding Paying Monthly Assessments.

There are three ways to pay your monthly assessments:

1) Harbour Hill's preferred method

Use an ACH form to authorize our bank to withdraw the monthly amount directly from your bank account and remit it to Associa Gulf Coast, our financial agent. This method has no cost to Harbour Hill and assures that your amount is paid on time, thereby avoiding late payment fines and interest. Any change to the monthly payment amounts will automatically be made by Associa.

2) Pay using an automatic on-line check from your bank. This method requires that you include on your check the account number shown on the payment voucher provided to you by Associa. If this number is not used, Harbour Hill incurs a processing fee. We also incur a fee to generate the payment vouchers.

3) Pay through the mail using your own check and the payment voucher. This method may cause you to be charged late payment fines and interest if, for any reason, your check is not received on time. Also, Harbour Hill incurs a fee for the vouchers.

If you have questions on these procedures, please contact our Treasurer
