The foregoing right to a share of the common surplus does not include the right to withdraw or require payment or distribution of the same.

5. **Maintenance, Alteration and Improvement.** Responsibility for the maintenance of the Condominium property and restrictions upon the alteration and improvement thereof shall be as follows:

1. **Common Elements.**

   (a) **By the Association.** The maintenance and operation of the common elements shall be the responsibility of the Association and a common expense.

   (b) **Alteration and Improvement.** There shall be no material alteration or further improvement of the condominium property without the prior approval, in writing, of 75% of all voting members present and voting either in person or by proxy at a properly called meeting of the Members, and the approval of the Association Board of Directors. The cost of such alteration or improvement shall be a common expense and so assessed. Any such alteration or improvement shall not interfere with the rights of any apartment owner without his consent.

2. **Apartments.**
(a) **By Association.** The Association shall maintain, repair and replace as a common expense of the apartment building containing an apartment:

1. All portions of the apartment contributing to the support of the apartment building, which portions shall include but not be limited to the outside walls of the apartment building and all fixtures on the exterior thereof, boundary walls of an apartment, floors and ceiling slabs, loadbearing columns and loadbearing walls, and also painting of the outside surface of exterior entry doors, but shall not include screening, windows, exterior entry doors (except for painting), sliding glass doors, glass and interior surfaces of walls, ceilings and floors.

(b) **By the Apartment Owner.** The responsibility of the apartment owner shall include:

1. To maintain, repair and replace at his sole and personal expense, all doors, windows, glass, screens, electric panels, electric wiring, electric outlets and fixtures, air-conditioners, heaters, hot water heaters, refrigerators, dishwashers, other appliances, drains, plumbing fixtures and connections, interior surfaces of all walls, including boundary and exterior walls, floors and ceilings, and all other portions of his apartment except the portions specifically to be maintained, repaired and replaced by the Association.

2. Not to enclose, paint or otherwise add permanent decorations or change the appearance of any portion of the exterior of the apartment building, with the exception of decorative floor coverings on balconies which are subject to approval by the Board and any specifications in force at the time and with the further exception that the owner may hang items on the walls as long as they can be easily removed. No items may be hung from the balcony ceilings.

3. To ensure removal of said items from the balcony in the event of an approaching storm or time away from the apartment greater than 14 days.
(4) To hold the association harmless from any damage caused by said items.

(5) To promptly report to the Association any defect or need for repairs, the responsibility for the remedying of which is that of the Association according to this Declaration.

(c) Alteration and Improvement. Subject to the other provisions of 5.2 and which in all cases shall supersede and have priority over the provisions of this subsection when in conflict therewith, an apartment owner may make such alteration or improvement to his apartment at his sole and personal cost as he may be advised, provided all work using power tools or other noise making devices shall be done Monday through Saturday between 8 a.m. and 6 p.m., except in the case of emergency, and without disturbing the rights of other apartment owners and further provided that an apartment owner shall make no material changes or alterations to any interior boundary wall, exterior wall, screening, exterior door, windows, structural or loadbearing member, electrical service or plumbing service, without first obtaining the approval of the Board of Directors of the Association and according to any specifications in force at the time. A building permit shall be required, consistent with local ordinances, where changes in plumbing, electrical, or heating and air conditioning are proposed and all work shall be performed by a professional who is licensed in the occupation in which changes are to be made.

3. Alterations and Improvements – General. Neither an apartment owner nor the Association shall make any alteration in the portions of an apartment or the apartment building which are to be maintained by the Association or remove any portion thereof or make any additions thereto or do anything which would jeopardize the safety or soundness of the apartment building or impair any easement without the approval in writing of 75% of all voting members present and voting either in person or by proxy at a properly called meeting of the Members and the approval of the Board of Directors of the Association. A copy of plans for all such work prepared by an architect licensed to practice in Florida shall be filed with the Association prior to the granting of such approval and the start of the work.

Notwithstanding the foregoing, adjacent side by side apartments may be joined if the following requirements are met:

(a) A copy of plans for the joinder of apartments prepared by an architect licensed to practice in Florida shall be filed with the Association prior to the granting of approval and the start of the work.

(b) No exterior alterations may be made to the building or the joined apartments, and the joinder of apartments shall not jeopardize the safety or soundness of the apartment building.
(c) The joinder of apartments must be approved by the Board of Directors of the Association.

(d) After the joinder is complete, the assessment would be calculated on the total square footage of the apartment (equal to the square footage of the previously separate apartments). The unit would be entitled to one ownership vote. The unit would be assigned one regular and one “extra” mailbox, and both parking spaces previously assigned to the separate units.

6. Assessments. The making and collection of assessments against apartment owners for common expenses shall be pursuant to the Bylaws and subject to the following provisions:

1. **Share of Common Expenses.** Each apartment owner shall be liable for a proportionate share of the common expenses and shall share in the common surplus, as set forth in “Exhibit D,” but the same shall not vest or create in any apartment owner the right to withdraw or receive distribution of his share of the common surplus.

2. **Payments.** Assessments and installments are due on the first of each month and are delinquent on the 16th day. All sums not paid on or before the 15th of each month shall be subject to a late charge of $25.00, or other sums as may from time to time be fixed and determined by the Board of Directors. All payments on account shall be first applied to late charges and then to the assessment payment first due. If any installment of an assessment is not paid on or before thirty (30) days after the due date, the Board of Directors may declare the entire assessment as to the delinquent owner then due and payable in full as if so originally assessed.

3. **Lien for Assessment.** The Association shall have a lien on each apartment for any unpaid assessments and for interest thereon against the owner thereof, which lien shall also secure reasonable attorneys’ fees incurred by the Association incident to the collection of such assessment or enforcement of such lien. Said lien shall be effective from and after the time of recording in the Public Records of Pinellas County, Florida, a claim of lien stating the description of the apartment, the name of the record owner thereof, the amount due and the date when due, and the lien shall continue in effect until all sums secured by the lien shall have been fully paid. Such claims of lien shall be signed and verified by an officer of the Association or by the Managing Agent of the Association. Upon full payment the party making payment shall be entitled to a recordable satisfaction of lien. Such liens shall be subordinate to the lien of any mortgage or other liens recorded prior to the date of recording the claim of lien. Liens for assessment may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. In any such foreclosure, the owner of the apartment shall be required to pay a reasonable rental for the apartment and the Association shall be entitled as a matter of law, to the appointment of a receiver to collect the same. The Association may also sue to recover a money judgment for unpaid assessments without waiving the lien securing the same. Where the mortgagee of a first mortgage of record or other purchaser of an apartment obtains title to the apartment as a result of the foreclosure of the first mortgage, or where a mortgagee of a first mortgage of
record obtains title to the apartment as a result of a conveyance in lieu of foreclosure of the first mortgage, such acquirer of title, its successors, and assigns, shall not be liable for the share of the common expenses or assessments by the Association pertaining to such apartment or chargeable to the former owner of such apartment which became due prior to acquisition of title in the manner above provided. Such unpaid share of common expenses or assessments shall be deemed to be expenses collectible from all the apartment owners including such acquirer, its successors and assigns.

7. **Association.** The operation of the Condominium shall be by HARBOR HILL CONDOMINIUM APARTMENTS, A CONDOMINIUM ASSOCIATION, INC., a non-profit corporation, organized pursuant to Section 711.12, Florida Statutes, as Amended, and Chapter 617, Florida Statutes. A copy of its Articles of Incorporation is attached as “Exhibit E,” and made a part hereof.

1. **Powers.** The Association shall have all the powers and duties reasonably necessary to operate the Condominium as set forth in this Declaration, the Bylaws and the Articles of Incorporation of the Association, and as the same may be amended. It shall also have all the powers and duties of an association as set forth in the Condominium Act; the power to acquire and enter into agreements whereby it acquires leaseholds, memberships and other possessory or use interest in lands of facilities, whether or not contiguous to the lands of the Condominium, intended to provide for the enjoyment, recreation or other use or benefit of apartment owners and to declare the expenses of rental, membership fees, operations, replacements and other undertakings in connection therewith to be common expenses and may make covenants and restrictions concerning the use of the same by apartment owners and such other provisions not inconsistent with the Condominium Act as may be desired; and the power to contract for the management of the Condominium and to delegate to the contractor all the powers and duties of the Association, except such as are specifically required by this Declaration or by the Bylaws to have the approval of the Board of Directors or the Membership of the Association.

2. **Bylaws.** The Bylaws of the Association are as set forth in attached “Exhibit F,” and made a part hereof.

3. **Limitation Upon Liability of Association.** Notwithstanding the duty of the Association to maintain and repair parts of the Condominium property, the Association shall not be liable for injury or damage, other than the cost of maintenance and repair, caused by any latent condition of the property to be maintained and repaired by the Association, or caused by the elements or other owners or persons.

8. **Insurance.** Insurance other than title insurance, which shall be carried upon the Condominium property and the property of the apartment owners, shall be covered by the following provisions:

1. **Authority to Purchase.** All insurance policies upon the Condominium property shall be purchased by the Association for the benefit of the Association, and in the case of insurance covering damage to the apartment building and its appurtenances, also for the
benefit of apartment owners and their mortgagees as their interest may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgages of apartment owners. In the case of insurance policies covering damage to apartment buildings and their appurtenances, the kind of such policies shall be subject to the approval of the bank, life insurance company or savings and loan association holding the greatest dollar amount of first mortgages against apartments in the Condominium. Such policies and endorsements thereon shall be deposited with the Insurance Trustee. It shall not be the responsibility or duty of the Association to obtain insurance coverage upon the personal liability, personal property or living expenses of any apartment owner, but the apartment owner may obtain such insurance at his own expense, provided such insurance may not be of a nature to affect policies purchased by the Association. Apartment owners shall furnish the Association with copies of all insurance policies obtained by them.

2. **Coverage.**

(a) **Casualty.** All buildings and improvements upon the land and all personal property included in the common elements shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

1. Loss or damage by fire and other hazards covered by a standard extended coverage; and

2. Such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land, including but not limited to vandalism and malicious mischief.

(b) **Public Liability.** In such amounts and such coverage as may be required by the Board of Directors of the Association and with cross liability endorsement to cover liabilities of the apartment owners as a group to an apartment owner.

(c) **Workmen’s Compensation Policy.** To meet the requirements of law.

(d) **Other.** Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

3. **Premiums.** Premiums for insurance shall be a common expense. Premiums shall be paid by the Association.

4. **Insurance Trustee Share of Proceeds.** All property casualty insurance policies purchased by the Association shall be for the benefit of the Association and the apartment
owners and their mortgagees as their interests may appear and shall provide that all proceeds covering property losses shall be paid to an Insurance Trustee, being an institution having offices in Pinellas County, Florida, and possessing trust powers, as may from time to time be approved by the Board of Directors of the Association, which Trustee is herein referred to as “Insurance Trustee;” provided, however, that the foregoing right of the Board of Directors to select the Insurance Trustee shall be subject to the approval of the bank, insurance company or savings and loan association holding the greatest dollar amount of first mortgages against apartments in the Condominium. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the same in Trust for the purposes elsewhere stated herein, and for the benefit of the Apartment owners and their mortgagees in the following shares, but which shares need not be set forth on the records of the Insurance Trustee:

(a) **Common Elements.** Proceeds on account of damage to common elements – an undivided share for each apartment owner of the Condominium, such share being the same as the undivided share in the common elements appurtenant to his apartment.

(b) **Apartments.** Proceeds on account of damage to apartments shall be held in the following undivided shares:

(1) When the apartment building is to be restored for the owners of damaged apartments in proportion to the cost of repairing the damage suffered by each apartment owner, which cost shall be determined by the Board of Directors of the Association.

(2) When the apartment building is not to be restored – for the owners of apartments in such building in undivided shares being the same as their respective shares in the common elements.

(c) **Mortgages.** In the event a mortgagee endorsement has been issued as to an apartment, the share of an apartment owner shall be held in Trust for the mortgagee and the apartment owner as their interests may appear; provided, however, that the mortgagee shall have the right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired.

5. **Distribution of Proceeds.** Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners in the following manner:

(a) **Expense of Trust.** All expenses of the Insurance Trustee shall be first paid or provisions made therefor.

(b) **Reconstruction or Repair.** If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the
cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners, remittances to apartment owners and mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of an apartment and may be enforced by such mortgagee.

(c) **Failure to Reconstruct or Repair.** If it is determined in the manner elsewhere provided, that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners, remittances to apartment owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of an apartment and may be enforced by such mortgagee.

(d) **Certificate.** In making distribution to apartment owners and their mortgagees, the Insurance Trustee may rely upon a Certificate of the Association, made by its President and Secretary, or by the Association’s Managing Agent as to the names of apartment owners and their respective shares of the distribution.

6. **Association as Agent.** The Association is hereby irrevocably appointed agent, with full power of substitution, for each apartment owner and for each owner of any other insured interest in the condominium property to adjust all claims arising under insurance policies purchased by the Association, to bring suit thereon in the name of the association and/or other insureds and deliver releases upon payments of claims, and to otherwise exercise all of the rights, powers and privileges of the Association and each owner of any other insured interest in the condominium property as an insured under such insurance policies.

9. **Reconstruction or Repair After Casualty.**

1. **Determination to Reconstruct or Repair.** If any part of the condominium property shall be damaged by casualty, whether it shall be reconstructed or repaired or not, shall be determined in the following manner:

   (a) **Common Elements.** If the damaged improvement is a common element, the same shall be reconstructed or repaired unless the damages to the apartment building containing such common element extend to apartments contained within such building, in which case the provisions relative to reconstruction and repair of the apartment building, as elsewhere herein provided, shall pertain.

   (b) **Apartment Building.**

      (1) **Partial Destruction.** If the damaged improvement is the apartment building and less than 90 percent of the amount of insurance applicable to such apartment building is forthcoming by reason of such casualty, then the apartment building shall be reconstructed and repaired unless 75 percent of the owners of the apartments contained within such building and all mortgagees, being banks, savings and loan associations, and insurance
companies, holding first mortgages upon apartments contained within such building shall within 60 days after casualty agree, in writing, that the same shall not be reconstructed or repaired.

(2) **Total Destruction.** If the damaged improvement is the apartment building and 90 percent or more of the amount of casualty insurance applicable to such apartment building is forthcoming by reason of such casualty, the apartment building shall not be reconstructed or repaired unless within 60 days after casualty 51 percent of the owners of the apartments contained within such building and all mortgagees being banks, savings and loan associations, and insurance companies, holding first mortgages, upon apartments contained within such building shall within 60 days after casualty agree, in writing, that the same shall be reconstructed or repaired.

(c) **Certificate.** The Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary or Managing Agent to determine whether or not the apartment owners, where so provided, have made a decision whether or not to reconstruct or repair.

2. **Plans and Specifications.** Any reconstruction or repair must be substantially in accordance with the plans and specifications of the original building and improvements; or if not, then according to plans and specifications approved by the Board of Directors of the Association and if the damaged property is the apartment building, by the owners of all damaged apartments therein, which approvals shall not be unreasonably withheld.

3. **Responsibility.** If the damage is only to those parts of apartments for which the responsibility of maintenance and repair is that of apartment owners, then the apartment owners shall be responsible for reconstruction and repair after casualty. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association.

4. **Estimate of Costs.** When the Association shall have the responsibility of reconstruction or repair, prior to the commencement of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to repair or rebuild.

5. **Assessments for Reconstruction and Repair.**

   (a) **Common Elements.** Assessments shall be made against all apartment owners in amounts sufficient to provide funds for the payment of the cost of reconstruction and repair of common elements. Such assessments shall be in proportion to each apartment owner’s share in the common elements.

   (b) **Apartments.** Assessments shall be made against the apartment owners who own the damaged apartments in sufficient amounts to provide for the payment of such costs of reconstruction and repair. Such assessments against apartment owners for damage to
apartments shall be in proportion to the cost of reconstruction and repair of their respective apartments.

6. **Construction Funds.** The funds for the payment of costs for reconstruction and repair after casualty, which shall consist of the proceeds of insurance held by the Insurance Trustee and funds collected by the Association from assessments against apartment owners shall be disbursed in payment of such costs in the following manner:

   (a) **By Whom Held.** If the total of assessments made by the Association in order to provide funds for the payment of reconstruction and repair which is the responsibility of the Association is more than $10,000.00, then the sums paid upon such assessments shall be deposited by the Association with the Insurance Trustee. In all other cases, the Association shall hold the sums paid upon such assessments and shall disburse the same in payment of the costs of reconstruction and repair.

   (b) **Insurance Trusts.** The proceeds of insurance collected on account of a casualty and the sums deposited with the Insurance Trustee by the Association from collection of assessments against apartment owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner:

      (1) **Apartment Owner.** The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with an apartment owner, shall be paid by the Insurance Trustee to the apartment owner or if there is a mortgagee endorsement as to such apartment, then to the apartment owner and the mortgagee jointly, who may use such proceeds as they may be advised.

      (2) **Association – Lesser Damage.** If the amount of the estimated cost of reconstruction and repair which is the responsibility of the Association is less than $10,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Association.

      (3) **Association – Major Damage.** If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is more than $10,000.00, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Directors of the Association and upon approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

      (4) **Certificate.** Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by apartment owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the assessments.
paid by owners, nor to determine any other fact or matter relating to its duties hereunder. Instead, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary or the Association’s Managing Agent as to any or all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and the amount to be paid; provided that when a mortgagee is herein required to be named as payee, the Insurance Trustee shall also name the mortgagee as payee; and further provided that when the Association, or a mortgagee which is the beneficiary of an insurance policy the proceeds of which are included in the construction fund, so required, the approval of an architect named by the Association shall be first obtained by the Association.

10. Restrictions. The use of the condominium property shall be in accordance with the following provisions:

1. Residential Use. The lands of the condominium and all improvements constructed thereon shall be for residential use only and no portion of such lands or improvements shall be used for business or commercial purposes. No structures shall be constructed upon the lands other than apartment buildings or other structures intended for residential use and appurtenances thereto. Each apartment or other residential living unit shall be occupied only by a single family, its servants and guests, as a residence, and for no other purpose whatever. No apartment may be divided or subdivided into a small unit or any portion thereof sold or otherwise transferred without first amending this Declaration in accordance with the provisions of 10 and 14 to show the changes in the apartment or residential living unit to be affected thereby.

2. Age Limitations of Permanent Occupants. It is intended by the unit owners that the Condominium shall be exempt from the provisions regarding “familial status” in the Fair Housing Amendments Act of 1988, as “housing for older persons”. Therefore at least one of the permanent occupants of at least ninety (90%) percent of the units must be fifty-five (55) years of age or older. A “permanent occupant” shall be defined for purposes of this restriction as any person who occupies a unit as his permanent residence. Notwithstanding the foregoing, the Board of Directors in its sole discretion may establish hardship exceptions to permit individuals between the ages of eighteen (18) and fifty-five (55) to permanently reside in the Condominium (without another permanent occupant who is fifty-five (55) years of age or older), only for the purpose of allowing surviving spouses or heirs who are between the ages of eighteen (18) and fifty-five (55) to occupy the unit, provided that such a hardship exception shall not be granted if it would result in less than eighty percent (80%) of the units in the Condominium having no permanent occupant who is 55 years of age or older.

3. Pets. No animals, fish, reptiles, amphibians or other pets of any nature and description shall be raised, bred, or kept in any apartment or the common elements, except as may from time to time be authorized by the Board of Directors.
4. **Nuisances.** No nuisances shall be allowed upon the condominium property nor any use or practice which is the source of nuisances to residents or which interfere with the peaceful possession and proper use of the property by its residents. All parts of the condominium property shall be kept in a clean and sanitary condition and no rubbish, refuse, nor garbage allowed to accumulate nor any fire hazard allowed to exist. No apartment owner shall permit any use of his apartment or make any use of the common elements or limited common elements which will increase the rate of insurance upon any part of the condominium property.

5. **Lawful Use.** No immoral, improper, offensive or unlawful use shall be made of the condominium property or any part thereof, and all valid laws, zoning ordinances and regulations of all government bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of government bodies having jurisdiction thereof shall be observed.

6. **Signs.** No “For Sale” or “For Rent” signs or other displays shall be maintained or permitted in any part of the common elements or apartments. Any institutional first mortgagee or owner or holder of a mortgage originally given to an institutional first mortgagee, which may become the owner of an apartment, and the Association, as to any apartment which it may own, shall have the right to place “For Sale” or “For Rent” signs in connection with such apartment.

7. **Exterior Appearance.** No clothes, sheets, blankets, laundry of any kind, or other articles shall be hung out or exposed from any apartment or common element. The common elements shall be kept free and clear of rubbish, debris and other unsightly material. There shall be no keeping by apartment owners of any chairs, tables, benches or other articles upon any common element without prior approval of the Board of Directors and in keeping with the general guidelines of the municipal fire code. No awning, canopy, shade, window guard, ventilator, fan, air-conditioning device, radio or television antenna may be affixed to or placed upon the exterior walls or roof or any part thereof without the prior consent of the Association. All exterior doors from apartments to the common hallways shall be kept completely closed except when in use for ingress and egress.

8. **Leasing.** After approval of the Association elsewhere required, the entire apartment may be leased subject to the following restrictions:

   (a) No owner shall lease a unit, other than on a written form of lease acceptable to the Board of Directors. The lease shall provide (and if a lease does not so provide, shall be deemed to provide) that (1) the lessee is required to comply with the Association documents, rules and regulations; (2) failure to comply constitutes a default under the lease; and (3) the Board of Directors has the power to terminate the lease or to bring summary proceedings to evict the tenant in the name of the lessor thereunder after 45 days’ prior written notice to the unit owner, in the event of a default by the lessee in the performance of the lease or in the event of violation of state law, the Association documents, or the rules and regulations of the Association.
(b) Regardless of the number of units owned by an individual, an owner may only rent out one apartment at a time, at any given time.

(c) The proposed lessor must have owned the unit for not less than two years.

(d) The occupancy is only by one family.

(e) At least one occupant under the lease must be fifty-five (55) years of age or older.

(f) The term of the lease must be not less than 12 months.

(g) A unit may be leased only once in any twelve month period.

(h) No rooms may be rented and no transient tenants may be accommodated.

(i) Leases may not be assigned, and no unit may be subleased.

(j) No lease of an apartment shall release or discharge the owner thereof of compliance with this Section 10 or any of his other duties as an apartment owner.

9. **Smoking.** No smoking is permitted in common elements with the exception of the large sundeck adjoining the Harbour Room on the ninth floor.

10. **Children.** Children under eighteen (18) years of age shall only be allowed as temporary occupants (visitors) in the units. No one under 18 years of age shall be permitted to reside in any unit more than 60 days in any 12 month period without approval of the Board of Directors.

11. **Regulations.** Reasonable regulations concerning the use of the condominium property may be made and amended from time to time by the Board of Directors of the Association. The initial regulations which shall be deemed effective until amended are annexed to the Bylaws.

11. **Maintenance of Community Interests.** In order to maintain a community of congenial residents and thus protect the value of the apartments and in order to assure the financial ability of each apartment owner to pay assessments made against him, the transfer of apartments by any owner shall be subject to the following provisions so long as the condominium exists, which provisions each owner covenants to observe:

1. **Transfers Subject to Approval.**
   
   (a) **Sale.** No apartment owner may dispose of an apartment or any interest therein by sale without approval of the Association, except to a unit owner.

   (b) **Lease.** No apartment owner may dispose of an apartment or any interest therein by lease without approval of the Association, except to a unit owner.
(c) **Gift.** If any apartment owner shall acquire his title by gift, the continuance of his ownership of his apartment shall be subject to the approval of the Association.

(d) **Devise or Inheritance.** If any apartment owner shall acquire his title by devise or inheritance, the continuance of his ownership of his apartment shall be subject to the approval of the Association.

2. **Approval by Association.** The approval of the Association which is required for the transfer or ownership of apartments shall be obtained in the following manner:

(a) **Notice to Association.**

   (1) **Sale.** An apartment owner intending to make a bona fide sale of his apartment or any interest therein shall give to the Association notice, in writing, of such intention, together with the name and address of the intended purchaser and such other information concerning the intended purchaser as the Association may reasonably require. Such notice at the apartment owner’s option may include a demand by the apartment owner that the Association furnish a purchaser, if the proposed purchaser is not approved; and if such demand is made, the notice shall be accompanied by an executed copy of the proposed contract to sell.

   (2) **Lease.** An apartment owner intending to make a bona fide lease of his apartment or any interest therein shall give to the Association notice, in writing, of such intention, together with the name and address of the intended lessee, such other information concerning the intended lessee as the Association may reasonably require, and an executed copy of the proposed lease.

   (3) **Gift, Devise or Inheritance; Other Transfers.** An apartment owner who has obtained his title by gift, devise or inheritance, or by any other manner not heretofore considered, shall give to the Association notice, in writing, of the acquiring of his title, together with such information concerning the apartment owner as the Association may reasonably require, and a certified copy of the instrument evidencing the owner’s title.

   (4) **Failure to Give Notice.** If the notice to the Association herein requested is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of an apartment, the Association at its election and without notice may approve or disapprove the transaction or ownership, the Association shall proceed as if it had received the required notice on the date of such disapproval.

(b) **Certificate of Approval.**
(1) **Sale.** If the proposed transaction is a sale, then within 30 days after receipt of such notice and information the Association must either approve or disapprove the proposed transaction. If approved, the approval shall be stated in a certificate executed by the President and Secretary or Managing Agent of the Association in recordable form and shall be delivered to the seller.

(2) **Lease.** If the proposed transaction is a lease, then within 30 days after receipt of such notice and information, the Association must either approve or disapprove the proposed transaction. If approved, the approval shall be stated in a certificate executed by the President and Secretary or Managing Agent of the Association in recordable form and shall be delivered to the lessor.

(3) **Gift, Devise or Inheritance; Other Transfers.** If the apartment owner giving notice has acquired his title by gift, devise or inheritance or in any other manner, then within 30 days after receipt of such notice and information the Association must either approve or disapprove the continuance of the apartment owner’s ownership of his apartment. If approved, the approval shall be stated in a certificate executed by the President and Secretary or Managing Agent of the Association in recordable form and shall be delivered to the apartment owner.

(c) **Approval of Corporate Owner or Purchaser.** Inasmuch as the condominium may be used only for residential purposes and a corporation cannot occupy an apartment for such use, if the apartment owner or purchaser of an apartment is a corporation, the approval of ownership by the corporation may be conditioned by requiring that all persons occupying the apartment be also approved by the Association.

3. **Disapproval by Association.** If the Association shall disapprove a transfer of ownership of an apartment, the matter should be disposed in the following manner:

(a) **Sale.** If the proposed transaction is a sale and if the notice of sale given by the apartment owner shall so demand, then within 30 days after receipt of such notice and information, the Association shall deliver or mail by certified or registered mail to the apartment owner an agreement to purchase by a purchaser, being either the Association or a person approved by the Association, who will purchase and to whom the apartment owner must sell the apartment upon the following terms:

(1) At the option of the purchaser to be stated in the agreement, the price to be paid shall be that stated in the disapproved contract to sell or shall be the fair market value determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the
apartment; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(2) If the purchaser shall elect to purchase at the price stated in the agreement, the purchase price shall be paid in the manner and subject to the conditions of such agreement; if the purchaser shall elect to purchase at the fair market value determined by arbitration, the purchase price shall be paid in cash.

(3) The sale shall be closed within 30 days after the delivery or mailing of said agreement to the purchase, or within 30 days after the determination of the sale price if such is by arbitration, whichever is the later.

(4) If the Association shall fail to purchase or provide a purchaser upon the demand of the apartment owner in the manner provided, or if a purchaser furnished by the Association shall default in his agreement to purchase, the proposed transaction shall be deemed to have been approved and the Association shall furnish a certificate of approval as elsewhere provided.

(b) **Lease.** If the proposed transaction is a lease, the apartment owner shall be advised of the disapproval in writing, and the lease shall not be made.

(c) **Gift, Devise or Inheritance; Other Transfers.** If the apartment owner giving notice has acquired his title by gift, devise or inheritance, or in any other manner, then within 30 days after receipt from the apartment owner of the notice and information required to be furnished, the Association shall deliver or mail by certified or registered mail to the apartment owner an agreement to purchase by a purchaser being either the Association or a person who will purchase and to whom the apartment owner must sell the apartment upon the following terms:

(1) The sale price shall be the fair market value determined by agreement between the seller and purchaser within 30 days from the delivery of mailing of such agreement, and in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the apartment; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(2) The purchase price shall be paid in cash.

(3) The sale shall be closed within 10 days following the determination of the sale price.
(4) If the Association shall fail to purchase or provide a purchaser as herein required or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval, such ownership shall be deemed to have been approved, and the Association shall furnish a certificate of approval as elsewhere provided.

4. **Mortgage.** No apartment owner may mortgage his apartment nor any interest therein without the approval of the Association except to a bank, life insurance company, or a federal savings and loan association. The approval of any other mortgages may be upon conditions determined by the Association or may be arbitrarily withheld.

5. **Exceptions.** The foregoing provisions of this section entitled “Maintenance of Community Interests” shall not apply to a transfer to or purchase by a bank, life insurance company or savings and loan association which acquired its title as the result of owning a mortgage upon the apartment concerned, and this shall be so whether the title is acquired by deed from the mortgagor or his successor in title or through foreclosure proceedings; nor shall such provisions apply to a transfer, sale or lease by a bank, life insurance company or savings and loan association which so acquires its title; nor shall such provisions require the approval of a purchaser who acquires the title to an apartment at a duly advertised public sale with open bidding which is provided by law, such as but not limited to execution sale, foreclosure sale, judicial sale or tax sale.

6. **Separation of Interests.** A sale of an apartment shall include all of its appurtenances and appurtenances may not be sold separate from an apartment. A lease of an apartment shall include the parking space. A lease of an apartment need not include the rights appurtenant to it to use the community facilities, provided, that such rights not so leased must be specifically retained by the lessor and may not be separately leased or assigned.

7. **Unauthorized Transactions.** Any sale, mortgage or lease which is not authorized pursuant to the terms of this Declaration shall be void unless subsequently approved by the Association.

8. **Notice of Lien or Suit.**

(a) **Notice of Lien.** An apartment owner shall give notice, in writing, to the Association of every lien upon his apartment other than for permitted mortgages, taxes and special assessments within 5 days after the attaching of the lien.

(b) **Notice of Suit.** An apartment owner shall give notice, in writing, to the Association of every suit or other proceeding which may affect the title to his apartment, such notice to be given within 5 days after the apartment owner received knowledge thereof.

(c) **Failure to Comply.** Failure to comply with this subsection concerning liens will not affect the validity of any judicial sale.
12. **Purchase of Apartment by Association.** The Association shall have the power to purchase apartments, subject to the following provisions:

1. **Decision.** The decision of the Association to purchase an apartment shall be made by its directors, without approval of its membership except as elsewhere provided in this section.

2. **Limitation.** If at any one time the Association be the owner or agreed purchaser of 3 or more apartments, it may not purchase any additional apartments without the prior written approval of 75 percent of members eligible to vote thereon. A member whose apartment is the subject matter of the proposed purchase shall be ineligible to vote thereon. Provided, however, that the foregoing limitation shall not apply to apartments to be purchased at public sale resulting from a foreclosure of the Association’s lien for delinquent assessments where the bid of the Association does not exceed the amount found due the Association, or to be acquired by the Association in lieu of foreclosure of such lien if the consideration therefor does not exceed the cancellation of such lien.

13. **Compliance and Default.** Each apartment owner shall be governed by and shall comply with the terms of this Declaration, the Bylaws and the rules and regulations adopted pursuant thereto, management agreement, if any, and said documents and rules and regulations as they may be amended from time to time. Failure of the apartment owner to comply therewith shall entitle the Association or other apartment owners to the following relief in addition to other remedies provided in this Declaration and the Condominium Act.

1. **Enforcement.** The Association and manager are hereby empowered to enforce this Declaration and the Bylaws and rules and regulations of the Association by entry to any apartment at any reasonable time to make inspection, correction or compliance.

2. **Negligence.** An apartment owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness or by that of any member of his family, his lessees, or his or their guests, invitees, employees, or agents, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of an apartment or its appurtenances, or of the common elements or of the limited common elements.

3. **Costs and Attorneys’ Fees.** In any proceeding arising because of an alleged failure of an apartment owner to comply with the terms of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto, management agreement, if any, and said documents and rules and regulations as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys’ fees as may be awarded by the court.
4. **No Waiver of Rights.** The failure of the Association or any apartment owner to enforce any covenant, restriction or other provisions of the Condominium Act, this Declaration, the Bylaws, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

14. **Amendments.** Subject to the other provisions of the Declaration relative to amendment, this Declaration and the Articles of Incorporation and Bylaws of the Association may be amended in the following manner:

1. **Notice.** Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

2. **Resolution.** An amendment may be proposed by either the Board of Directors or by 75 percent of the members of the Association. The amendment must be approved by not less than eighty per cent (80%) of the voting members present and voting either in person or by proxy at a properly called membership meeting. Notice of said membership meeting must have been given in accordance with Association Bylaws and contain a full statement of the proposed amendment.

3. **Agreement.** In the alternative, an amendment may be made by an Agreement signed and acknowledged by all of the record owners of apartments in the condominium in the manner required for the execution of a deed, and such amendment shall be effective when recorded in the public records of Pinellas County, Florida.

4. **Proviso.** Provided, however, that no amendment shall discriminate against any apartment owner nor against any apartment or class or group of apartment owners or apartments unless the apartment owners so affected and such of their first mortgagees which are banks, savings and loan associations, and insurance companies shall consent; and no amendment shall change any apartment nor the share in the common elements and other of its appurtenances nor increase the owner’s share of the common expenses unless the owner of the apartment concerned and all of such mortgagees as first above recited shall join in the execution of the amendment. Neither shall an amendment of this Declaration make any change in Sections 8 or 9 unless the record owners of all mortgages upon apartments in the condominium shall join in the execution of the amendment.

5. **Execution and Recording.** A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted, which certificate shall be executed by the officers of the Association with formalities of a deed. The amendment shall be effective when such certificate and copy of the amendment are recorded in the public records of Pinellas County, Florida.

15. **Termination.** The Condominium may be terminated in the following manner, in addition to the manner provided by the Condominium Act.
(a) **Destruction.** In the event it is determined in the manner elsewhere provided that the condominium property shall not be reconstructed because of major damage, the condominium plan of ownership will be thereby terminated without agreement.

(b) **Agreement.** The Condominium may be terminated by the approval in writing of all the owners of the units therein, and by all record owners and holders of mortgages thereon. If the proposed termination is submitted to a meeting of the Members of the Association, and if the approval of the owners of not less than 75 percent of the common elements, and of the record owners of all mortgages upon the units are obtained in writing not later than 30 days from the date of such meeting, then the approving owners shall have an option to buy all the units of the other owners for the period ending on the 60th day from the date of such meeting. Such approvals shall be irrevocable until the expiration of the option and if the option is exercised, the approvals shall be irrevocable. Such option shall be upon the following terms:

1. **Exercise of Option.** The option shall be exercised by delivery or mailing by Certified Mail to each of the record owners of the units to be purchased, of an agreement to purchase signed by the record owners of units who will participate in the purchase. Such agreement shall indicate which units will be purchased by each participating owner and shall agree to purchase all the units owned by owners not approving the termination, but the agreement shall be effected by a separate contract between each seller and his purchaser.

2. The sale price for each unit shall be the fair market value determined by agreement between the seller and purchaser within 30 days from the delivery or mailing of such agreement, and in the absence of agreement as to price it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the Arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

3. **Payment.** The purchase price shall be paid in cash.

4. **Closing.** The sale shall be closed within 10 days following the determination of the sale price.

(c) **Certificate.** The termination of the Condominium in either of the foregoing manners shall be evidenced by a Certificate of the Association executed by the President or Vice President and Secretary or Assistant Secretary certifying as to facts effecting the termination, which Certificate shall become effective upon being recorded in the Public records of Pinellas County, Florida.
(d) **Shares of Owners after Termination.** After termination of the Condominium the unit owners shall own the condominium property and all assets of the Association as tenants in common in undivided shares, and their respective mortgagees shall hold such rights and interests upon the respective shares of the unit owners. Such undivided shares of the unit owners shall be the same as the undivided shares in the common elements appurtenant to the owners’ units prior to the termination.

(e) **Amendment.** This section concerning termination cannot be amended without consent of all unit owners and all record owners and holders of mortgages upon units.

16. **Severability.** The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provisions of this Declaration of Condominium and the Articles of Incorporation, Bylaws and regulations of the Association shall not affect the validity of the remaining portions thereof.
